Truth and Taxation Hearing for the 2012 Tax Levy
The Glen Ellyn Park District held a public hearing for the 2012 tax levy.

Lake Ellyn Master Plan – Lenox Road
The Board of Commissioners came to a consensus to forward on the conceptual plan that identifies the Park District priorities regarding Lenox Road reconstruction. Those priorities include:

- Effectively narrow Lenox Road with parking space delineated separately from through-lanes
- Angled parking strategically placed between Hawthorne and Linden
- Parallel parking strategically placed between Linden and Essex
- Speed table at the intersection of Linden and Lenox
- Sections of reduced overall pavement width from Hawthorne to Essex where recessed parallel or angled parking is not located. This further improves traffic calming along Lenox Road
- Designated handicap parking on Lenox near Linden south of the main Park entrance
- Delineated mid-block crosswalks (one between Hawthorne and Linden, and one between Linden and Essex)
- Meandering pathway along the west side of Lake Ellyn Park near Lenox

Approve 2012 Tax Levy – Ordinance 12-06
The Board of Commissioners approved Ordinance # 12-06, “An Ordinance for the levy and assessment of taxes for the year 2012.”

2013 Budget Discussion – Recreation
The Board of Commissioners reviewed and discussed budgets for Sunset Pool, Ackerman Sports and Fitness Center, Main Street Recreation Center, Spring Avenue Recreation Center, Maryknoll Park, and Lake Ellyn Boathouse.
