Annual Audit for fiscal year ending 12-31-09
Mr. Ron Amen of Lauterbach & Amen, LLP presented the Comprehensive Annual Financial Report for year ended December 31, 2009. He stated that for the second year in a row the Glen Ellyn Park District received a certificate of achievement for excellence in financial reporting. He stated that the park district received an unqualified opinion, which is the highest level opinion the park district can receive on their financial statement.
Mr. Amen directed the Board’s attention to the management’s discussion and analysis section of the audit which highlights the significant components of the financial statements and has summary information on the financial statements. It is the auditor’s opinion that the park districts financial status continues to be strong.

A lengthy discussion ensued regarding the audit report. President Hess reminded the Board before they asked questions that the auditor was there to present the audit to the Board but not go give insight into the Park District business. The Board had numerous questions regarding various areas of the report. Afterwards, Commissioner Creech asked if the Board can discuss various areas of the audit in greater detail at a future meeting. President Hess concurred and stated that they will also discuss the way financial information is reported.

Commissioner Dallman moved, seconded by Commissioner Aubrey, to approve the Annual Audit for Fiscal Year Ending December 31, 2009 by Lauterbach & Amen, LLP.
