Indoor batting cages at Ackerman SFC

Description and Desired Text copy

New indoor batting cages were added to the 1st floor training room at Ackerman Sports & Fitness Center. This flexible system includes heavy netting that can be configured for up to four batting cages. Alternatively, the netting can be retracted to offer a large open turfgrass field. With the demolition of an office, the training room now has a lot to offer for sports and group exercise!

Little Free Libraries coming to Co-Op and Lake Foxcroft

Description and Desired Text copy

A Little Free Library may be coming to a park near you! In partnership with the Glen Ellyn Public Library, Lake Foxcroft and Co-Op Parks will each receive a Little Free Library this week. These book-sharing boxes are freely accessible to all and designed to remove barriers to book access (and foster a love of reading). Anyone may share or take a book. They function on the honor system. You do not need to share a book in order to take one. Earlier this year, a Little Free Library was also installed at Surrey Park.
