ALL IN SCAVENGER HUNT

Compete against neighbors, family, or friends in a virtual scavenger hunt!

Pick a time that works for everyone, setup a meeting through a platform like Zoom, and send your invites. Select one person to act as the moderator, timer, judge, and pointkeeper. They'll read off an item from the list below (mix up the order!) and the other participants must scramble to find it within one minute. The first person to bring back the item and show it on the screen wins a point for that round. Scavenger hunters cannot bring the device they are using to stream the meeting with them on their search.

No using your phone for answers and the same item can't be used for two answers!
