Our Philosophy & Curriculum

At our Preschool, children learn through an academic and play-based curriculum to facilitate learning concepts including writing, science, vocabulary, numbers, shapes, math, and other cognitive abilities. The academics incorporated into the program will ensure students are prepared to move to the next level and eventually be Kindergarten-ready.

Our program is a mixture of teacher-guided activities and playtime, with small and large group activities based around a weekly theme. Children engage in fine and large motor skill activities, art projects, music, books, dramatic play, cooking, writing and more. Children also have monthly visits from B#Sharp Music for Children and the Park District Naturalist.

Girls Softball AF

Girls Softball is a Glen Ellyn Park District program run with the assistance of the Glen Ellyn Girls Softball Association. The program teaches girls softball skills, while promoting teamwork, skill development, game rules, good sportsmanship, and fun.

House League

Grades: Pre-K to 8

Our softball program gives girls a chance to play and have fun while learning softball skills, teamwork, game rules, and sportsmanship. Leagues are recreational at the younger ages and become progressively more competitive as players grow older. We strive to provide development and options to keep it fun as our players grow older and play to their level of competition.

The spring program is the House League. Teams typically play two games per week (one weeknight/one weekend) at Ackerman Park. Teams are formed in mid-March and practices begin in April. The season runs through the end of June. Team shirts and protective equipment are provided by age group. Girls must supply their own gloves, bats and helmets. The program is highly dependent on volunteer coaches and assistants. The Glen Ellyn Girls Softball Association offers support through league commissioners, coaches' clinics, and training materials. Golden Eagles Cheerleading AF

Competitive Cheerleading

Grade: 2-8 (as of 8/31/21)

We teach technical cheer fundamentals along with short dance and cheer routines. Cheerleaders learn skills including stunting, tumbling, and a variety of jumps. Each squad practices 1-2 times per week and competes in Illinois Recreational Cheer Association (IRCA) sanctioned competitions. While no prior experience is necessary, it is helpful to have dance or gymnastics skills. Cheer teams will also cheer at occasional weekend Golden Eagle football games. Modifications to the program may be made to adhere to current State guidelines.

The program runs from July-Early December with squads determined in June. Grade levels may be combined. Practices begin in early July and are multiple days a week until school starts. After school begins, practices are held two nights per week for the remainder of the season. Cheer does not allow for substitutions of positions. As such, attendance at practice is vital and fully expected. For the safety of the athletes, missed practices may result in the athlete not being able to fully participate in half time performances and/or competitions.

ICE SKATING AND SLEDDING

Outdoor Skating

Be sure to check the flags at Lake Foxcroft and Newton or the lights on top of the Boathouse before heading on the ice. Skating is unsupervised and at your own risk.

- **GREEN** indicates safe ice conditions.
- **RED** indicates ice conditions that are unsafe for skating.

LAKE ELLYN

Lake Ellyn is open daily until 9 p.m. when conditions are right for skating. Skating is permitted when the ice reaches a consistent thickness of 8". The Boathouse will not be available as a warming shelter at this time, but the outdoor restroom will remain open as weather allows.

LAKE FOXCROFT

Lake Foxcroft is open daily until dusk when conditions are favorable for skating. Skating is permitted when the ice reaches a consistent thickness of 8".

NEWTON

When conditions are favorable for creating ice, the east and/or west rink may be available at Newton Park. The east rink is traditionally designated for hockey and the west rink for skating. However, based on recent input from the community, the Park District will be implementing ice skating only times at the Newton Park east rink. The hours are 11:30am to 1:00pm and 4:00pm to 5:30pm Monday-Sunday. The other times are for hockey. When open, lights are on from dusk until 9pm.

Newton Sled Hill

The sled hill at Newton Park provides fun for the whole family! Bring your sled or disc and enjoy the snow. Sledding is allowed only during daylight hours from dawn until dusk.

The hill is not supervised and the user is responsible for determining if the conditions are appropriate for sledding.

FRIENDS OF GLEN ELLYN PARKS

Scholarship Program

We need your support now more than ever!

The COVID-19 pandemic has brought financial uncertainty to us all, and certainly, the number of our Glen Ellyn neighbors who are experiencing financial hardship has and will continue to increase.

The Scholarship Program allows residents in need of financial assistance to apply for reduced and/or no-fee recreation and athletic programs, and will be vital in helping our neighbors in need get back to a sense of normalcy, connectedness, and community. In the last year, over 200 Glen Ellyn families were assisted through this worthwhile program. However, funds are limited and the District anticipates an increase in applications.

MAKE A DIFFERENCE TODAY

The program is funded through generous donations from residents and local businesses and through fundraising activities. Anyone can make a donation of \$1 or more to the scholarship program by adding the donation amount to their activity registration form, when they register online, or at www.gepark.org/register.

DISTRICT POLICIES

DEFINITION OF RESIDENCY

Not all Glen Ellyn residents are in the Park District. Anyone living within the geographic boundaries of the Glen Ellyn Park District is considered a resident. Glen Ellyn Park District residents, via property taxes, make financial contributions to the operation of the park system. Non-residents are charged higher fees for programs than residents to compensate for property tax disparity.

Residents of Glen Ellyn who are not residents of the Glen Ellyn Park District or any other park district may receive all the privileges of belonging to the Glen Ellyn Park District by paying the equivalent of Park District taxes annually. This membership allows for priority registration, pool passes, and any other services provided to our residents at the resident rate.

WAIVERS OF LIABILITY

To participate in any Glen Ellyn Park District program, you must sign a waiver releasing the Park District of any liability.

REFUNDS, CANCELLATIONS

The Glen Ellyn Park District reserves the right to cancel, postpone or combine classes, or change instructors. If insufficient enrollment causes a class to be canceled, notification will be given 7 days in advance, and full tuition refunded. Withdrawals prior to the start of a class will be assessed at minimum a \$5.00 service charge. Refunds for moving, injury/illness, or schedule changes will be pro-rated according to the date the request for a refund is made.

COMMITMENT TO QUALITY

To encourage first time participation as well as repeat participation, the Park District has a refund policy highlighted by a satisfaction guarantee. This special refund policy provides us with timely feedback about dissatisfaction regarding our services. We can then take prompt action to improve services. If you are not completely satisfied, tell us and we will either: invite you to repeat the class at no charge; allow you a credit that can be applied to another program; issue you a full refund.

Our guarantee is based on fulfilling our promise to deliver the published expectations describing the service you have used. A refund will be granted if you were dissatisfied with the experience due to circumstances under the Park District's control.

Requests for the above-mentioned options must be made before the midpoint of the program or within two weeks of a single meeting activity. All refund requests must be submitted in writing and returned to the Spring Avenue Recreation Center or the Main Street Recreation Center. Satisfaction Guarantee does not apply to trips, special events with prepaid admissions and tickets, and athletic programs where equipment has already been ordered.

FINANCIAL ASSISTANCE

The Glen Ellyn Park District recognizes there are community residents who may suffer economic setbacks that might preclude their participation in Glen Ellyn Park District programs. Financial assistance forms are available at the Spring Avenue and Main Street Recreation Center. All requests remain confidential. Questions? Contact Kimberly Dikker at (630) 942-7256.

A referral for additional scholarship assistance is now available to qualified resident children under the age of 18 through the Milton Township Youth Committee's Family Youth Scholarship Fund.

INSURANCE

The Glen Ellyn Park District does not provide medical insurance coverage for individuals who participate in our programs or use our facilities. To do so would make programs and user fees cost prohibitive.

AMERICANS WITH DISABILITIES ACT

The Americans with Disabilities Act (ADA) prohibits discrimination on the basis of a disability. The Glen Ellyn Park District will make reasonable accommodations in recreation programs to enable participation by an individual with a disability that meets essential eligibility requirements for that leisure program and facility.

If you have questions or believe you have been unfairly discriminated against by the Park District, please contact Nick Cinquegrani at (630) 942-7257. Those who use the Telecommunications Device for the deaf may reach the Park District by calling the Illinois Relay Line at (800) 526-0844.

NON-DISCRIMINATION STATEMENT

The Glen Ellyn Park District prohibits discrimination in all its programs and activities on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, marital or family status.

BEHAVIOR POLICY

Participants are always expected to exhibit appropriate behavior. The following guidelines have been developed to help make Park District programs safe and enjoyable for all participants. Additional rules may be developed for specific programs and athletic leagues as deemed necessary by staff. Participants shall:

1. Show respect to all participants and staff, take direction from staff.
2. Refrain from using abusive or foul language.
3. Refrain from causing bodily harm to self, other participants or staff.
4. Show respect for equipment, supplies and facilities.

A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, prompt resolution will be sought specific to each individual situation. The Park District reserves the right to dismiss a participant whose behavior endangers the safety of himself /herself or others.

PARENT'S CODE OF ETHICS

- I will encourage good sportsmanship by demonstrating positive support for players, coaches, and officials at every game and practice.
- I will place the emotional and physical well-being of my child ahead of my personal desire to win.
- I will insist that my child play in a safe and healthy environment.
- I will require that my child's coach be trained in the responsibilities of being a youth sports coach.
- I will remember that the game is for youth – not adults.
- I will do my very best to make youth sports fun for my child.
- I will ask my child to treat other players, coaches, and officials with respect regardless of race, sex, creed, or ability.
- I agree with these rules and understand that the Glen Ellyn Park District Associations have adopted a Zero-Tolerance Policy and that not abiding by these rules may restrict me from attending future games and practices.

PETS AT EVENTS

The Glen Ellyn Park District asks that everyone please exercise good judgment and leave pets at home when attending events that draw large crowds. Please show respect for other people, yourself and your pet by helping the Park District maintain a safe and healthy environment where all people have the opportunity to participate and enjoy themselves.

NOTICE OF POSSIBLE CHANGES IN PLAYBOOK LISTINGS

The policies, procedures, requirements, programs, fees and facility availability contained in this Playbook represent Park District program and policies at the time of publication. Sometimes changes in the programs (including fees, locations, times, etc.) and policies are necessary after Playbook publication but prior to program commencement or facility operation.

To provide the best services, programs and facilities to the public, the Park District reserves the right to add, to change, modify or delete any program or policies after they have been published. The Park District will attempt to make a reasonable effort to give prompt public notice of any material changes in the programs and policies, but notice cannot be assured. We apologize for any inconvenience this may cause and appreciate your understanding and cooperation.

PHOTO/VIDEO POLICY

The Glen Ellyn Park District uses pictures or videos of participants to publicize recreation opportunities in our social media, print, and online marketing. If you do not want a picture taken, please tell our photographer. If the picture has already been taken, please contact the Park District at (630) 942-7260.
