If you plan to volunteer at one of the Forest Preserve District sites, please register & sign a waiver in advance. Information is available at Volunteer Services, (630) 933-7233 or volunteer@dupageforest.org

We are fortunate to have several land owners in our community working to restore, preserve, and enhance natural areas. Volunteer help is always appreciated!

Some activities include:

- Removing invasive plant species
- Planting trees and shrubs
- Collecting and spreading native seeds
- Picking-up litter
- Trail maintenance
