### **NEW** Bricks 4 Kidz: City Engineers & Architects Camp

Age: 5-10

Explore the structures and landscapes of a city: using LEGO® bricks! Using our proprietary kits and model plans, campers will construct one-of-a-kind LEGO® City models. Our specialized model plans incorporate beams, gears, axles, motors, battery packs and other technic LEGO® components. At Bricks 4 Kidz camps, we use LEGO bricks to build amazing worlds of fun in a variety of exciting themes that engage children in STEM-enriched activities and making new LEGO-loving friends. Our creative camps feature LEGO mosaics, 3D LEGO builds, motorized technic LEGO projects, daily take home crafts and more! All campers will go home with a custom mini figure at the end of the week! Min/Max: 8/20. [JM]
