B.  Coronavirus (COVID-19) District Update including reopening plan(s)
Over the last several weeks, staff has been developing re-opening plans for the facilities and summer programs based on the State’s Restore Illinois Plan for Stages 3, 4 and 5. At this time, the Governor has indicated that Illinois is on track to reach Phase 3: Recovery by May 27, 2020. Additionally, the State hopes to reach Phase 4: Revitalization by the opening of the schools in the Fall of 2020. A copy of the Restore Illinois Plan is attached to this report.

In anticipation of the State reaching safe guidelines for re-opening, as well as final guidelines from IDPH, the following specifications were developed for all three phases:

- Dates/Fee/Day/Times/Location/Park/ Participant Minimums & Maximums/Staffing
- Face Covering/Hand Sanitizer/Hand Washing/Equipment/Social Distancing
- Speakers/Visitors/Bathroom use/Playground Use
- Drop-off and Pick-up/Building and Park Ingress and Egress Procedures
- Protocol if Virus is present
- Cleaning Procedures
- Program Modifications/Spectators & Parents
- Budget Considerations

Attached to this report are preliminary plans for each program and facility area within the guidelines of Phases 3, 4 and 5. Those areas that are planning a re-opening for Phase 3 will have various starting dates sometime in early to mid-June. Some of Phase 4 plans are geared for a July start date and while optimistic, there is a good chance that Phase 4 will not begin until August. If that is the case, the July classes will also be cancelled.

A summary of the re-opening plans is listed below:

VIII. New Business 2019
A. Maryknoll Parking Lot Payout Request
Parks Project Manager Troia presented payout request #1 for the Maryknoll Parking Lot Project in the amount of $115,563.00. This is the first payout from ALamp Concrete Contractors, Inc., who is the general contractor for the project.

This project consisted of milling and overlaying the existing parking lot and restriping. Additionally, perforated underdrains were added to help extend the longevity of the surface. To date, all work is complete, and the parking lot is ready for use. As a reminder, the project was budgeted and approved due to a competitive and a very favorable bid outcome. The project initially scheduled for the fall was advanced to an earlier spring installation due to Maryknoll Park and park amenities being closed.

Commissioner Cornell moved, seconded by Commissioner Durham to approve payout request #1 for the Maryknoll Parking Lot Project in the amount of $115,563.00.

Roll Call: Aye: Cornell, Durham, Stortz, Nephew, Weber, Bischoff, and President Ward
Nay: None

B. Ackerman Indoor Turf Payout Request
Parks Project Manager Troia presented payout request #1 for the Indoor Turf Replacement Project in the amount of $109,407.59. This is the first payout from Fieldturf USA Inc., who is the general contractor for this project.

While the Ackerman Sports and Fitness Center was closed to the public, the indoor turf field was renovated. The existing turf was removed, and the stone base was leveled before installing the new turf. Infill material from the previous was reused. All playing lines were aligned to the existing mounted goals, resulting in a now symmetrical field with some additional sideline space. As a reminder, this replaces the original turf from the building opening and was budgeted and committed prior to the pandemic.

Commissioner Bischoff moved, seconded by Commissioner Stortz to approve payout request #1 for the Indoor Turf Replacement Project in the amount of $109,407.59.

Roll Call: Aye: Bischoff, Stortz, Cornell, Nephew, Durham, Weber, and President Ward

C. **Resolution #20-01 Authorizing Benefit Protection Leave Service for COVID-19 Related Furlough Time**

Superintendent of Finance and Personnel Cinquegrani presented Resolution # 20-01 Authorizing Benefit Protection Leave Service for COVID-19 Related Furlough Time. The resolution allows any park district employee who is currently enrolled in the Illinois Municipal Retirement Fund (IMRF), who has been or may be furloughed due to authorized leave related to COVID-19, to purchase missed monthly service credit.

If an eligible employee elects to purchase missed service credit, the employee would be required to pay their monthly member contribution to IMRF. In the event any employee(s) elect to purchase missed service credit, the Park District’s future employer contribution would be impacted. It is currently anticipated, given the district’s current enrollment numbers, the financial impact in future years would be minimal.

Commissioner Stortz moved, seconded by Commissioner Cornell to approve Resolution #20-01 Authorizing Benefit Protection Leave Service for COVID-19 Related Furlough Time as presented.

*Roll Call: Aye: Stortz, Cornell, Nephew, Durham, Weber, Bischoff and President Ward*

*Motion Carried*

IX. **Staff Reports**

Director Harris commended the staff who are working to provide and care for the parks and open space that the community is significantly utilizing while remaining relatively sequestered and safe.

X. **Commissioners’ Reports**

All the Commissioners expressed their appreciation for the continued efforts by the District and staff.
