

SNEAKY SNOWMAN

SCAVENGER HUNT CLUE SHEET

CLUE #1

Hop in the car, let's go for a ride! The spot where kayaks are launched is a good place to hide.

CLUE #2

Bass, bluegill, and catfish, too.
Where you'd cast a line will answer this clue.

CLUE #3

Sneaky can't wait for an end to this cold. Off to the clay courts, which are really quite old!

CLUE #4

Under the oak trees, not far from the lake, cook up some goodies - whatever you want to make!

CLUE #5

After a snack, it's time for some shade. Dash to where the swings live before the sun fades.

CLUE #6

You're finding clues and feeling bold, let's head to the place that Bocce are rolled.

CLUE #7

Red course, blue course, and ready to putt!
But until next year, the front doors are shut.

CLUE #8

Feeling quite chilly, it's time to get warm.
These courts are heated and on a platform.

CLUE #9

This type of disc is for golf, not for sledding.
Off to Hole #1 is where you are heading.

CLUE #10

Brr. It feels like winter out here. But from up on this hilltop, the view is quite clear.

CLUE #11

You did it again. You're hot on the trail. Bees live in this house past the Churchill cattails.

CLUE #12

No pickles for eating? You make a sad face. Now to end your adventure, blast off to outer space.
