

# Sunset Pool Schedule: May/June

Each individual entering the facility must register for an open or lap swim time slot at [gepark.org/register](http://gepark.org/register). A 5-visit pass or payment of the daily admission fee is required at registration. Open and lap swim registration will become available at 1 p.m. each Friday for the following week. You must have a household account in our online registration system to register. Accounts can be created at [gepark.org/register](http://gepark.org/register) or by visiting one of our Registration Offices. Schedules for remaining months of the pool season will be available online closer to the start of each month. Pool schedule is subject to change. *Last revised 04/15/21.*
