**RIDER TO AGREEMENT BETWEEN THE GLEN ELLYN PARK DISTRICT**  
**AND** Click or tap here to enter text. **FOR** Click or tap here to enter text.

---

This Rider amends, supplements and supersedes the Agreement between the Glen Ellyn Park District (the "District") and Click or tap here to enter text. (the "Contractor") for Click or tap here to enter text., including its Terms and Conditions (the "Agreement"). In the event of any conflict between any of the provisions of this Rider and the provisions of the Agreement, the provisions of this Rider shall control.

The Contractor shall obtain and maintain insurance of the types and in the amounts listed below. The failure to meet these insurance requirements is cause for cancellation of the agreement.

**Commercial General and Umbrella Liability Insurance**

The Contractor shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than \$1,000,000 each occurrence. If such CGL insurance contains a general aggregate limit, it shall apply separately to this project/location. CGL insurance shall be written on Insurance Services Office (ISO) occurrence form CG 00 01 10 93, or a substitute form providing equivalent coverage, and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal injury and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract). The District, its elected and appointed officials, employees, agents and volunteers shall be included as an additional named insured under the CGL, using ISO additional insured endorsement CG 20 26 or a substitute providing equivalent coverage, and under the commercial umbrella, if any. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance afforded to District. Any insurance or self-insurance maintained by the District shall be deemed excess of such Contractor's insurance and shall not contribute with it.

**Business Auto and Umbrella Liability Insurance**

Contractor shall maintain business auto liability and, if necessary, commercial umbrella liability insurance with a limit of not less than \$1,000,000 each accident. Such insurance shall cover liability arising out of any auto including owned, hired and non-owned autos. Business auto insurance shall be written on Insurance Services Office (ISO) form CA 00 01, CA 00 05, CA 00 12, CA 00 20, or a substitute form providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage equivalent to that provided in the 1990 and later editions of CA 00 01.

**Workers Compensation Insurance**

Contractor shall maintain workers compensation and employers' liability insurance. The commercial umbrella and/or employers liability limits shall not be less than \$1,000,000 each accident for bodily injury by accident or \$1,000,000 each employee for bodily injury by disease. Contractor waives all rights against the District and its officers, officials, employees, volunteers and agents for recovery of damages arising out of or incident to such Contractor's activities.

**Evidence of Insurance**

The Contractor shall furnish the District with a certificate(s) of insurance and applicable policy endorsement(s), executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth above. All certificates shall provide for 30 days' written notice to the District prior to the cancellation or material change of any insurance referred to therein. Written notice to the District shall be by certified mail, return receipt requested. Failure of the District to demand such

certificate, endorsement or other evidence of full compliance with these insurance requirements, or failure of the District to identify a coverage deficiency from evidence that is provided, shall not be construed as a waiver of such Contractor's obligation to maintain such insurance.

The District shall have the right, but not the obligation, of prohibiting such Contractor from entering the premises until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received and approved by District. Failure to maintain the required insurance may result in termination of the Agreement entered by the parties at the District's option. Contractor shall provide certified copies of all insurance policies required above within 10 days of the District's written request for said copies.

#### **Acceptability of Insurers**

All insurance companies shall maintain a rating no less than A-VII from A.M. Best, based on the most recent edition of the A.M. Best's Key Rating Guide. If the Best's rating is less than A-VII or a Best's rating is not obtained, the District has the right to reject insurance written by an insurer it deems unacceptable.

#### **Deductibles and Self-Insured Retentions**

Any deductibles or self-insured retentions must be declared to the District. At the option of the District, the Contractor may be asked to eliminate such deductibles or self-insured retentions as respects the District, its officers, officials, employees, volunteers and agents, or such Contractor may be required to procure a bond guaranteeing payment of losses and other related costs, including, but not limited to, investigations, claims administration and defense expenses.

#### **District's Insurance**

Under no circumstances shall the District be required to name the Contractor, its officers, employees, agents, subcontractors, suppliers and representatives as additional insureds under District's insurance coverage.

#### **Indemnification**

To the fullest extent permitted by law, the Contractor shall indemnify, hold harmless, protect and defend the District, its officers, employees and agents, from and against any and all liability, claims, damages, losses, suits, demands, proceedings and actions, including attorneys' fees, costs and expenses of defense, which may arise from, grow out of, result from or be related directly or indirectly to any loss, damage, injury, death or damage to property resulting from the performance of the work by the Contractor or any subcontractor under the Agreement, or from any negligent or willful acts, errors or omissions in the performance of the work of the Contractor or any subcontractor hereunder, or from any breach of the Contractor's obligations or any material default by the Contractor under the Agreement.

Nothing contained herein shall be construed as prohibiting the District, its officers, employees or agents from defending, through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings or actions brought against them. The District's participation in its defense shall not remove the Contractor's duty to indemnify, defend and hold the District harmless as set forth herein. The indemnification required hereunder shall not be limited by reason of the enumeration of insurance coverage herein provided. The Contractor's indemnification of the District shall survive the termination or expiration of the Agreement.

#### **Tax Exemption**

The District is exempt for the Illinois Retailer's Occupations Tax, the Illinois Use Tax, and the Federal Excise Tax as an exempt entity under the Internal Revenue Code. District shall provide Contractor with District's tax exemption identification number, for use by Contractor for this project/work only.

### **Illinois Prevailing Wage**

For those Agreements calling for the construction or repair of a “public work”, within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. (the “Act”). The Act requires contractors and subcontractors to pay laborers, workers, and mechanics performing services on public works projects no less than the current “prevailing rate of wages” (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Illinois Department of Labor (the “Department”) publishes the prevailing wage rates on its website at <http://labor.illinois.gov/>. The Department revises the prevailing wage rates and the contractor/subcontractor has an obligation to check the Department’s website for revisions to prevailing wage rates. For information regarding current prevailing wage rates, please refer to the Department’s website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including, but not limited to, all wage requirements and notice and record keeping duties.

The Work to be performed under this Agreement is subject to the Requirements of the Prevailing Wage Act.

Yes ☐ No ☐

### **District’s Right to Inspect and Reject Workmanship, Materials, and Equipment**

The District will have the right to inspect the workmanship/ materials /equipment procured through this Agreement, and to reject any nonconforming/damaged work/equipment. The District will give notice to Contractor of any rejection of the work/equipment or claim for damages on account of condition, quality or grade of the work/equipment. Neither inspection nor acceptance by District shall act as District’s acceptance of any defects or deficiencies in the work/equipment and shall not act as a waiver of any rights District has with respect to such defects, deficiencies or failure, including rights under any warranty.

Section	Details
TERMINATION	The District may, at any time, terminate the Agreement in whole or in part for the District’s convenience and without cause. In the event of such termination or in the event the District terminates this Agreement in accordance with A.1 of this Rider: a) Contractor shall recover payment for approved and properly performed work completed prior to the effective date of termination; and b) Contractor shall not be entitled to damages or lost profits resulting from termination for convenience under this Section.
WARRANTIES	Unless otherwise required by law, the Contractor shall provide, a minimum one (1)-year warranty on all workmanship and material and or equipment provided to the District by the Contractor.
PAYMENT	Payment shall be made by the District to the Contractor upon the District’s receipt of an invoice itemizing the work properly performed, as determined by the District, for the period covered by the invoice. The contract sum shall be paid and shall bear interest in accordance with the Local Government Prompt Payment Act (50 ILCS 505/1 et seq.). No Event of Default shall occur if the District complies with this Section.
CHOICE OF LAW AND LIMITATIONS	The Agreement, its validity, enforceability and interpretation, shall be governed by the laws of the State of Illinois, including the ten (10)-year statute of limitations in Illinois for contract claims. Jurisdiction for any claims shall be only in the Circuit Court for the

	Eighteenth Judicial Circuit, DuPage County, Illinois.
ASSIGNMENT	Contractor shall not assign the Agreement to any person or entity other than an affiliate of the Contractor without the District's prior written consent.
LEGAL FEES	The District shall be entitled to the award of attorneys' fees and costs in the event the District is the prevailing party in any suit or action in connection with the enforcement of the terms and conditions of the Agreement.
NO WAIVER OF TORT IMMUNITIES	Nothing contained in any provision of this Agreement is intended to constitute nor shall constitute a waiver of the defenses and immunities available to the District under the Illinois Local Government and Governmental Employees Tort Immunity Act.
COMPLIANCE WITH LAWS	Contractor shall comply with all applicable local, state and federal codes, laws, ordinances, rules and regulations. Contractor shall be licensed and bonded to perform the work hereunder and shall, at its sole cost and obligation, be responsible for obtaining all permits required to perform its duties under this Agreement. Any breach by Contractor of the foregoing laws, regulations and rules shall constitute a breach by Contractor of this Agreement.

The Contractor and the District hereby acknowledge and agree to the terms and conditions of this Rider.

## GUIDELINES – ASPHALT MAINTENANCE, SEALCOATING & STRIPING

### PART 1 – GENERAL

#### 1. CRACK SEALING

- A. The contractor is to clean all pavement cracks of dirt, vegetation and debris to a minimum uniform depth of .500 inches utilizing a powered crack cleaner or router. Where vegetation is heavy the cleaned crack will be treated with a water base herbicide and allowed to thoroughly dry prior to the cracks being sealed.
- B. All cracks are to be blown clean and dried with filtered air prior to the blown application of a hot applied polymer modified horizontal joint and crack sealant. Where there exists cracks in excess of .375 inches wide and 1.00 inches deep, these cracks are to be filled with a heat-resistant backer rod of an appropriate width and installed to a depth that would allow for a maximum of .625 inches of material to be applied.
- C. All hot applied crack sealant is to be squeegeed flat (1/16" maximum) with the surrounding surface to provide a minimum of one inch overlap on each side of the crack. Not all sites will need crack sealing.

#### 2. SEALCOATING

- A. Once the designated area has had all cracks sealed and allowed to cure per the manufacturer's specifications, the area is to be swept of large debris and blown clean with a powered air blower.
- B. All oils and grease spots shall be cleaned and removed by scraping or scrubbing the area with a detergent solution. The cleaned area will then be rinsed with clean water and allowed to thoroughly dry. An oil spot primer may then be applied to promote adhesion and prevent bleed through.
- C. The contractor will apply two coats of a water based SealMaster product or approved equal. A certification sheet must be submitted with each bulk load confirming compliance with the above requirement.
- D. The application equipment must be capable of applying the recommended coating rates evenly and uniformly over the entire width of the application mechanism per the manufacturer's recommendations. The method of application is to be that specified and approved by the product manufacturer. No seal coat material shall be applied when there exists a threat of rain within 48-hours of application. The contractor is to provide all necessary barricading to prevent vehicular and pedestrian traffic for a minimum of 24 hours after application.

#### 3. PAVEMENT MARKING

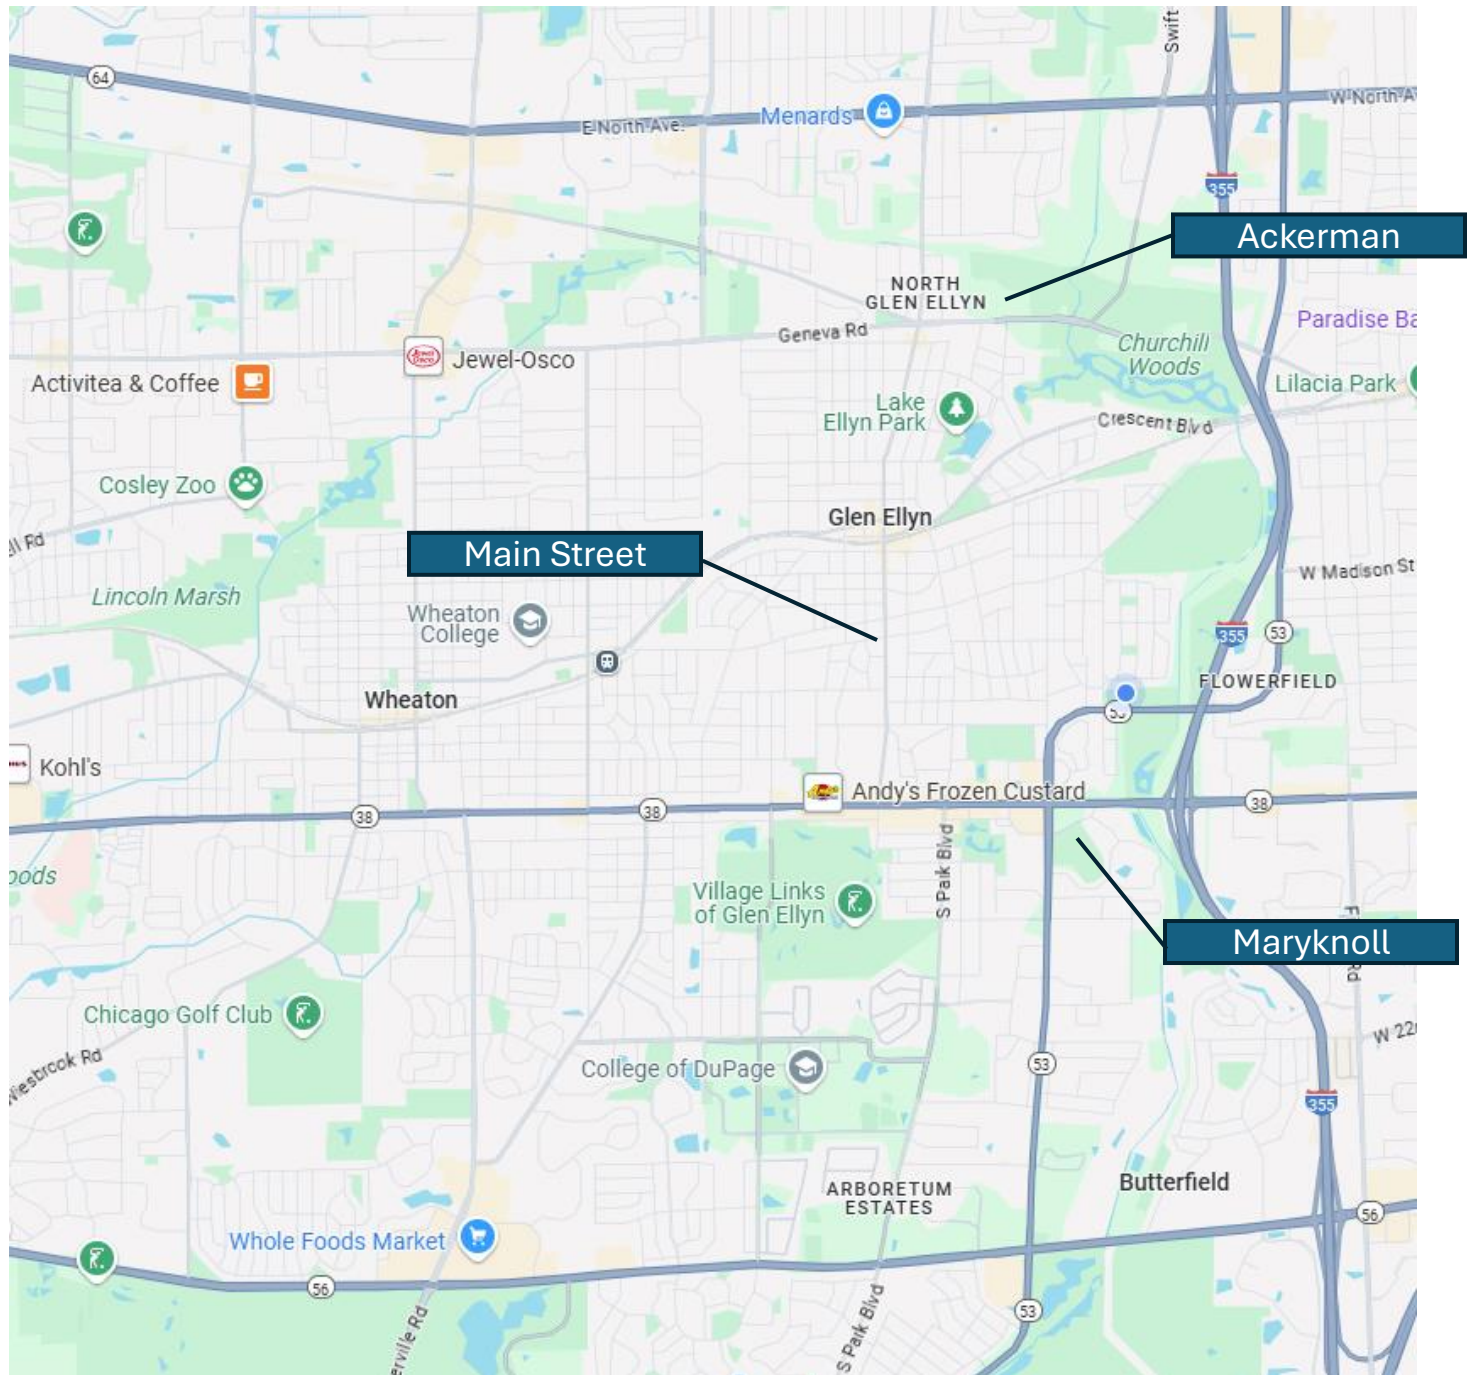

- A. Do not apply pavement-marking paint until layout, colors, and placement have been verified with Owner.
- B. Sweep and clean surface to eliminate loose material and dust.

- C. Apply markings in accordance with IDOT Specification Section 780 Pavement Striping.
- D. All striping in the designated area is to be performed after the sealcoating has cured per the manufacturer's specifications. The contractor is to follow the existing parking layout unless changes are specified by the Owner.
- E. Parking spaces lines are to be 6" wide and are to be painted in yellow
- F. The handicap parking spaces which will be striped in blue. The handicap parking spaces are to include a 21.5" tall handicap symbol painted in yellow on the blue background centered between the lines and at the entry point of the space.
- G. All yellow marking paint is to be of the State of Illinois specification chlorinated rubber type. The blue handicap spaces are to be of a latex base paint. All painting is to be performed with a high-performance powered sprayer at a rate specified by the manufacturer. The contractor must identify in the proposal the type of material being used and the manufacturer. The contractor is to provide all necessary barricading to prevent vehicular and pedestrian traffic for a minimum of 6 hours after application.
